

CLAUSE I-20 – CHANGES - FIXED-PRICE (August 2002)

- (a) The Subcontracting Officer may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this subcontract in any one or more of the following:
  - (1) Drawings, designs, or specifications when the supplies to be furnished are to be specially manufactured for SURA in accordance with the drawings, designs, or specifications.
  - (2) Method of shipment or packing.
  - (3) Place of delivery.
- (b) If any such change causes an increase or decrease in the cost of, or the time required for, performance of any part of the work under this subcontract, whether or not changed by the order, the Subcontracting Officer shall make an equitable adjustment in the subcontract price, the delivery schedule, or both, and shall modify the subcontract.
- (c) The Subcontractor must assert its right to an adjustment under this clause within 30 days from the date of receipt of the written order. However, if the Subcontracting Officer decides that the facts justify it, the Subcontracting Officer may receive and act upon a proposal submitted before final payment of the subcontract.
- (d) If the Subcontractor's proposal includes the cost of property made obsolete or excess by the change, the Subcontracting Officer shall have the right to prescribe the manner of the disposition of the property.
- (e) Failure to agree to any adjustment shall be a dispute under the Disputes clause. However, nothing in this clause shall excuse the Subcontractor from proceeding with the subcontract as changed.
